Instructional Guidance

NOTE: Before presenting this lesson, instructors must thoroughly prepare by studying this lesson and identified reference material.

Before class--

- This TSP has questions throughout to check learning or generate discussion among the group members. You may add any questions you deem necessary to bring a point across to the group or expand on any matters discussed.
- You must know the information in this TSP well enough to teach from it not read from it. You must also be able to demonstrate the tasks taught.
- This TSP presents references at the beginning of some of the paragraphs. This allows you to inform your students of where they should look in the reference to follow your instruction.
- SGL's will walk soldiers through and demonstrate the tasks taught in this lesson.

During class--

- Conduct the class in accordance with this TSP.

After class--

- Collect all recoverable materials after the examination for this lesson.

SECTION II. INTRODUCTION

Method of Instruction: Conference / Discussion
 Technique of Delivery: Small Group Instruction (SGI)
 Instructor to Student Ratio is: 1:8
 Time of Instruction: 5 mins
 Media: None

Motivator

Regardless of your MOS or job assignment, you may find yourself in a situation where you must lead soldiers in combat. You will learn some basic techniques and procedures used to employ a squad-size element in contact with the enemy. What you learn here may be the difference between mission success, failure, or life and death. This lesson will assist you in the development of a warrior leader's ethos of becoming proficient and professional, giving you confidence to lead warriors to engage and to destroy the enemy.

Terminal Learning Objective

NOTE: Inform the students of the following Terminal Learning Objective requirements. At the completion of this lesson, you [the student] will:

Action:	Lead a team/squad in basic combat operations.
Conditions:	In a classroom environment culminating in a situational training exercise and given a team/squad.
Standards:	Led a team/squad in basic combat operations by-- <ul style="list-style-type: none"> • Reacting to contact. • Breaking contact. • Reacting to an ambush. • Conducting a hasty attack. IAW FM 7-8.

Safety Requirements

None

Risk Assessment Level

Low

Environmental Considerations

NOTE: It is the responsibility of all soldiers and DA civilians to protect the environment from damage.

None

Evaluation

Inform student that the evaluation will be done in the form of a non-graded practical exercise.

Instructional Lead-In

The STX that you will participate in at the end of the course will provide you with an opportunity to use all the skills covered in this lesson, coupled with your experiences, to lead soldiers in a tactical environment. During this block of instruction you will learn basic drills and how to react by employing METT-T coupled with fire and maneuver. This lesson supports the development of your warrior ethos of becoming a proficient, well trained, and capable warrior leader. You will learn how to react to contact, break contract, react to an ambush, and to conduct a squad attack.
