MEMORANDUM FOR United States Army Sergeants Major Course (SMC)

SUBJECT: Welcome to the U.S. Army Sergeants major Academy (USASMA)

1. Congratulations on your selection to attend the U.S. Army Sergeants Major Course (SMC). Your individual accomplishments, future potential, and dedication to military service were the basis for your selection to attend the capstone of Noncommissioned officer Education.
2. Families are an essential and vital part of the Academy experience. In support of Families, we include many educational, social, and recreational activities as an integral part of the Academy. Two such events are the Family Readiness Group and the Spouse Leadership Development Course as a part of the Academy experience. These activities will assist you and your spouse in assuming higher levels of responsibility and support in your military profession. Therefore, we encourage your family members to accompany you and share in this unique learning experience.
3. Carefully read and follow the student guide located on the USASMA website, as it contains answers to most of your questions about the Academy, family housing, and Fort Bliss facilities. The guide will aid you and your family in settling into the Academy and the Fort Bliss community. With regards to housing, housing is limited to Sergeants Major Course students and it is a first come first serve basis. It is imperative if you want post housing that you register online prior to your arrival. If you choose to live in post housing, be mindful that there may be challenges associated with clearing housing as it pertains to your timeline to vacate.
4. Should you have any questions or need assistance, do not hesitate to contact me or the First Sergeant. My e-mail address is [marcus.l.campbell4.mil@mail.mil](mailto:marcus.l.campbell4.mil@mail.mil). The phone number is (915) 744-8785 or DSN 621. The First Sergeant's e-mail address is [Gregory.r.bremseth.mil@mail.mil](mailto:Gregory.r.bremseth.mil@mail.mil). His phone number is (915) 744-8508 or DSN 621.
5. Again, congratulations on your selection. I wish you success in the course and in all your future assignments.

  
MARCUS L. CAMPBELL  
CSM, USA  
Commanding
